"Fire Emblem",
where Love Points
increase day by day.
All while drawing this, your
humble servant becomes
sadder and sadder.
By the way, did you give
me the honour of reading
the "Super Comic Theater,
Volume 7" book? *
In that book, I drew a
Ayra/Noish story,
something which won't
happen no matter what in
this main manga.
Well then, your humble
servant must go to a lesson,
so please excuse me!

あらすじ

遙か昔、ユグドラル大陸は魔王の闇に支配されていた。しかし、天より降った十二人の神が聖戦士に姿を変え、闇を焼きつくした。人々は歓び、十二聖戦士を王と仰いだ。時は流れ、この大陸には聖戦士の血を引く十二の家系と、聖戦士たちの伝説の武器が残された。だが、今や邪悪な闇が再び頭をもたげつつあった。

王子ガンドルフ麾下のヴェルダン王国軍が突如ユングヴィ城を攻め落とし、公女エーディンを虜にした。知らせを聞いたシアルフィ城のシグルドは手勢を率いて出陣する。ユングヴィを奪還したものの、エーディンはマーファ城に連れ去られた後だった。追撃するシグルドの軍にキュアンの軍勢もくわわり、国境近くのエヴァンス城を落とした。次のジェノア城攻略戦では、アイラとシャナンが味方になった。

シグルド軍はマーファ城に迫る。エーディンはデューとともに城を脱出し、シグルドのもとにたどりついた。戦いはシグルド軍の勝利に終わり、シグルドの刃に倒れたガンドルフは、一人の男の名をつぶやいて死んだ。サンディマ……と。

HA!

Sandima, you...

TOWN OF MARPHA

Fffff...

Still, it concerns me...

That name...

Phew...

So that was a dream ...

Hmm...

Something might have happened at the capital, Verdane!

As well as Batou's unusual attitude ...

It concerns me too.

Sandima, huh...

A: Midayle and Oifaye

Verdane Capital

Forrest

Marpha

You're right... But, no matter how we look at it, we'll have to cross this deep forest to reach the capital.

As such, we'll have to make the appropriate preparations, and today everyone must be tired after last night's battle as well, so...

I think so too. Speaking of which, the one who started that war was Verdane.

We should go to the capital in order to discover the truth.

GAH!

All right Shanan! We're going to the armory!

Free to do whatever we want in town, huh... Naturally, that means arming ourselves, then.

Allllrighty then!

Everyone, you're all off duty and free to do whatever you want for today!

ALLRIGHT!!

So excit-ing! ♡

Hooray! ♡

Adan!

I was thinking of looking for a new sword. Wanna come with me?

It's all wrecked.

Sounds good.

Wooow, you're really big, after all.

It wasn't just an impression due to the armor.

Ha ha

Heavy-weight division type, aren't you?

Gimme a break.

By the way, what do you want?

looks around

I was thinking of inviting him too, but I lost sight of him a while ago...

Ah, but what about Alec?

—ARMORY—

This sword is the gem of our shop...

MEANWHILE ALEC...

BIG LIE

My, at such a young age?!

It doesn't look like it, but I'm actually the captain of the Royal Knights you know...

How cool~

Yes, I can't think of anything else in his case.

Since it's Alec we're talking about, he probably went wooing girls.

Hmmmmm?

It looks pretty strong ...

It's the cream of the crop.

Pof

Wah

カキーン
Cashank

What kind of sword are you using?!

But that sword is very much on the heavy side...

Too light, can't have a good grip.

No good.

Huh?

wop wop wop

Shboom

Ow

↑Shannan

Yes, I think that would be for the best.

I'd better get my sword repaired at the blacksmith after all...

Huuum...

Knock knock

Clac

Excuse meee... I'd like to see your swords...

A foreigner, huh? Given that there can't be a woman with such monstrous strength in this country...

Recommended Item

Thank you very much! I'll sell it for the special price of 8000 gold.

Yup, it's a bit heavy, but it adjusts well to my hand.

That's its normal price though...

I like it. What's the price?

Clap

Ah, that sword looks nice!

Ah, yes yes.

Oh, you have a good eye! Do you wish to have a look at it?

Ah yes, in your case, sir...

fwit

fwit

Hmmm... Well, as for me, I'll...

A... A swords-man ...?!

...I see ...

Like I would use such a thing!! I may not look like it, but I'm a swordsman!!

AAARGH

How about this one?

Its destruc-tion power is unrivaled

Adan

Ah!

Say, Midayle...

Haaa...

But I was convinced that would suit you like a glove...

Whether it suits me or not isn't the prob-leeeem!!!

What kind of place ?

That said, there's a place I'd like to go with you.

You don't have to worry about it at all...

Eh?! Oh no, it's all right!

I beg your forgive-ness for that rude behaviour of mine yester-day!

Er, please wait a minute, Lady Edin!

Say, could we go together?

I'd like to search for clothes in which I can move freely.

I've been wearing this ever since I was kidnapped back in Jungby. It would be inconvenient to go through the forest towards Verdane with this.

No!

It would be more safe for you to return to Jungby...

By any chance... Do you mean that you will continue travelling alongside us, Lady Edin?!

Ethlin's sole Live Staff probably won't be enough to heal everyone.

And also, more than anything else...

That's out of the ques-tion!

I have some responsi-bility over this whole case, and...

In my case, I intend to continue tagging along with Sigurd, but...

So I'm that unre-liable ...

That must be it ...

"I want to be with you forever" ...

Y... Yes...

Under-stood.

I don't want to be separated from you ...!

I want to be with you forever !!

Ah, I was going to look for clothes with Lady E...

Ah, that's right

Where are you going now?

Hey, you're in your regular clothes!

Aaaaaah!!

Sire Midaaayle!

Eh? Ah...

I-I'm fine with this...

He he, I don't mind. The more the merrier, after all.

Espe-cially in your case.

Is this all right with you, Lady Edin?

Can I go along with yooou?!

DA....

Aagh...

tchik!

Aaall-righty, if things are going like this, let's settle this fair and square!

Haa Haa

bam bam bam bam bam

THAT DAMN MIDAYLE, UNFOR-GIVAAAAA-BLE!!!

HOW DARE HE, WITH LADY EDIIIIN !!!

...MNNIIIT!!

You want me to tell you about your love fortune, don't you?

Time to get some advice from the fortune-teller.

Fortune Street

Particu-larly young lads like you...

People who come here generally ask for this.

Just as expected from a fortune-teller. And she's a beauty too.

You're pretty insightful.

You...

However... that woman already has a lover...

I-IMPRESSIVE!!

A beautiful person you have unrequited feelings for...

That's exactly it!!

Tcha

I see... A woman a bit older than you...

Hm mm mm ...

HUUUH ?

She too, has unrequited feelings for another man...

He he, you're mistaken.

Hee hee...

In fact, she doesn't have a lover.

Is it all right if I keep on going with that feeling...

But even then, I can't give up on her!

I see...

Wah!

THANK YOU!

whoosh!

Bang

I don't know where your actions will lead you from now on, but...

Your situation isn't hopeless.

Was there such a woman here before?

She's a nice dishie.

She's pretty dazzling

Such overflowing liveliness... Aaah!

Hello, my pretty!

Eh...?

If ya want someone to guide ya, leave it to us.

What, Ethlin?

Hmm?

You know, Cuan~

All three of us?

Didn't I tell you that since it's so rare to get a rest, us three should spend it together?!

What kind of cold-hearted thing are you telling me, bro?!

I feel like I'm the only one who doesn't have com-pany here...

He's right, big brother!

I'm fine with you neckling with Ethlin, but...

S-say, Cuan...

Did you really need to invite me along with you?

W-What's the matter?

AH !!
